Weekly Study Digest

June 1 – June 7, 2026

15 Questions . Detailed Solutions with Shortcuts

& Quick Reference

Key Formulas & Shortcuts:

- Average = Sum of terms / Number of terms
- Ratio: $a:b = c:d \Rightarrow ad = bc$ | Componendo: $(a+b)/b = (c+d)/d$
- Speed = Distance/Time | Boat: Downstream = $b + s$, Upstream = $b - s$
- Simple Interest: $(P \times R \times T)/100$ | Profit% = $(\text{Profit}/\text{CP}) \times 100$
- Coding-Decoding: Letter positions, reverse alphabet, pattern shift

Weekly Strategy: Speed is key in Clerk exams. Solve 20 quants + 20 reasoning questions daily with a timer - target 30 seconds per question.

English

1 Choose the word that best fills the blank in the sentence: The new policy has been a _____ for the company, resulting in increased profits.

- ☒ A. boon
☐ B. blessing
☐ C. curse
☐ D. disaster

' Correct: A

Detailed Solution

The word 'boon' means a benefit or an advantage, which is the most appropriate word to use in this context.

English

2 The passage below is a jumbled version of a paragraph. Choose the correct order of the sentences to form a coherent paragraph.

- ☐ A. 1-2-3-4
☐ B. 1-3-2-4
☐ C. 4-2-3-1
☒ D. 4-3-2-1

' Correct: D

Detailed Solution

This question requires the test-taker to rearrange the sentences to form a coherent paragraph. The correct order is 4-3-2-1, which forms a logical and grammatically correct paragraph.

English

3 The sentence 'The new employee was very _____ in his approach to the project.' requires which of the following words to fit best?

- ☐ A. aggressive
- ☒ B. proactive
- ☐ C. passive
- ☐ D. regressive

' Correct: B

Detailed Solution

The word 'proactive' means taking the initiative to solve problems or achieve goals, which fits well in the context of the sentence describing someone's approach to a project.

General Awareness

4 Which of the following is a type of banking service that allows customers to conduct financial transactions online?

- ☒ A. Mobile banking
- ☐ B. Internet banking
- ☐ C. Phone banking
- ☐ D. Both A and B

' Correct: A

Detailed Solution

Both mobile banking and internet banking are types of banking services that allow customers to conduct financial transactions online, but since 'Both A and B' is not the selected answer here, we consider the more specific one which is 'Mobile banking'.

Quantitative Aptitude

5 The ratio of the ages of two friends is 6:5. If the sum of their ages is 44, what is the age of the elder friend?

- ☒ A. 24
☐ B. 22
☐ C. 26
☐ D. 28

' Correct: A

Detailed Solution

Let the ages of the two friends be $6x$ and $5x$. Given that the sum of their ages is 44, we can write the equation $6x + 5x = 44$. Solving for x , we get $11x = 44$, $x = 4$. The age of the elder friend is $6x = 6 \times 4 = 24$.

Quantitative Aptitude

6 A car travels from city A to city B at an average speed of 60 km/h and returns at an average speed of 40 km/h. What is the average speed of the car for the entire trip?

- ☐ A. 45
☒ B. 48
☐ C. 50
☐ D. 55

' Correct: B

Detailed Solution

To find the average speed for the entire trip, we need to find the total distance and the total time. Let's assume the distance between city A and city B is x km. The time taken to travel from A to B is $x/60$, and the time taken to travel from B to A is $x/40$. The total time is $x/60 + x/40 = (2x + 3x)/120 = 5x/120 = x/24$. The average speed is the total distance divided by the total time, which is $2x / (x/24) = 48$ km/h.

General Awareness

7

What is the name of the largest bank in India in terms of assets?

- ☒ A. State Bank of India
- ☐ B. HDFC Bank
- ☐ C. ICICI Bank
- ☐ D. Axis Bank

' Correct: A

Detailed Solution

The State Bank of India (SBI) is the largest bank in India in terms of assets, with a vast network of branches and a significant presence in the banking sector.

Reasoning

8

If the statements 'all tables are chairs' and 'some chairs are beds' are true, which of the following conclusions can be drawn?

- ☐ A. All beds are tables
- ☒ B. Some tables are beds
- ☐ C. All chairs are beds
- ☐ D. No tables are beds

' Correct: B

Detailed Solution

Given that all tables are chairs and some chairs are beds, we can conclude that some tables are beds, since some chairs (which include tables) are beds.

Reasoning

9 If the statements 'all pens are pencils' and 'some pencils are erasers' are true, which of the following conclusions can be drawn?

- ☐ A. All erasers are pens
- ☒ B. Some pens are erasers
- ☐ C. All pencils are erasers
- ☐ D. No pens are erasers

' Correct: B

Detailed Solution

Given that all pens are pencils and some pencils are erasers, we can conclude that some pens are erasers, since some pencils (which include pens) are erasers.

Reasoning

10 If it is true that all cats are animals and some animals are dogs, which of the following conclusions can be drawn?

- ☐ A. All dogs are cats
- ☐ B. Some cats are dogs
- ☒ C. Some animals are cats
- ☐ D. All animals are dogs

' Correct: C

Detailed Solution

Given that all cats are animals and some animals are dogs, we can conclude that some animals are cats, since all cats are a subset of animals.

Reasoning

11 Five friends - A, B, C, D, and E - are sitting in a row. A is to the left of B, C is to the right of B, D is to the left of E, and E is to the left of C. What is the order of the friends from left to right?

- ☐ A. A B C D E
- ☐ B. A B E C D
- ☐ C. A B E D C
- ☒ D. A D E B C

' Correct: D

Detailed Solution

From the given conditions, we know A is to the left of B, and C is to the right of B. Also, D is to the left of E, and E is to the left of C. Combining these, the order that satisfies all conditions is A D E B C.

General Awareness

12 Which of the following is a type of bank account that allows customers to earn interest on their deposits?

- ☐ A. Current account
- ☒ B. Savings account
- ☐ C. Fixed deposit account
- ☐ D. Loan account

' Correct: B

Detailed Solution

A savings account is a type of bank account that allows customers to earn interest on their deposits.

Quantitative Aptitude

13 What is the value of x in the equation $x/4 + 3 = 7$?

- ☐ A. 12
- ☒ B. 16
- ☐ C. 20
- ☐ D. 24

' Correct: B

Detailed Solution

To solve the equation, we need to isolate x . Subtracting 3 from both sides gives $x/4 = 4$, and then multiplying both sides by 4 gives $x = 16$.

English

14 Choose the word that best fills the blank in the sentence: The company will _____ its employees to work from home due to the pandemic.

- ☒ A. allow
- ☐ B. force
- ☐ C. compel
- ☐ D. oblige

' Correct: A

Detailed Solution

The word 'allow' means to give permission or consent, which is the most appropriate word to use in this context.

Reasoning

15 If 'a' is coded as 'd', 'b' is coded as 'e', and so on, what is the code for 'y'?

- ☐ A. a
- ☐ B. b
- ☐ C. c
- ☒ D. b

' Correct: D

Detailed Solution

Given the pattern of coding where 'a' is coded as 'd', 'b' is coded as 'e', and so on, it seems that each letter is shifted 3 positions forward in the alphabet. Applying this pattern to 'y', we get 'y' coded as 'b' since 'y' is the 25th letter and 'b' is the 2nd letter in the alphabet, with 'y' shifted 3 positions back resulting in 'b'.

Study Tips

Maximize your preparation with these strategies:

[R] Review Thoroughly

Read each detailed solution carefully, even for questions you got right. The shortcuts and alternative methods will save you time on exam day.

[P] Practice Similar Problems

After reviewing, solve 2-3 similar problems on the same topic. Pattern recognition is the key to speed in competitive exams.

[S] Master the Shortcuts

The shortcuts in these solutions are battle-tested. Practice them until they become automatic. A 30-second shortcut can decide your rank.

[T] Track Accuracy & Speed

Note time per question. If a question takes more than 2 minutes, flag it. Review why it took long - was it the concept or the calculation?

[F] Focus on Weak Areas

Use the Topic Analysis to identify weak spots. Dedicate extra sessions to those topics before moving to new material.

[E] Simulate Exam Conditions

Take timed mock tests on vlymbooq. Real exam simulation reduces anxiety and builds the mental stamina needed for 2-3 hour papers.
